

R-404A / R507 RETROFIT

NON-FLAMMABLE

LOWEST GWP

RS-51 (R470B)

- Drop-in replacement
- Ultra-low GWP at 717 (AR5)
- No oil or component change required
- Non-flammable, non-toxic
- Similar COP, Cooling Capacity, Discharge Pressure and Temperature

The time to switch to **Energy Efficient, Green Refrigerants Is Now!**

**LESS THAN
80% THE GWPs
OF R404A
& R507**

ComStar will donate a portion of all refrigerant sales to the World Wildlife Fund in efforts to help **polar bear habitats!**
